# Indicating Interest: SHSM

When doing your course selections in PowerSchool, you can indicate your interest in the SHSM program by selecting an SHSM sector

- Agriculture
- Construction
- Robotics and Engineering
- Manufacturing
- Transportation

Your Guidance Counsellor or your Technology teacher can provide you with more information.

Interest In SHSM - Please select chosen sector	
	SHSMAG - SHSM Agriculture
	SHSMCO - SHSM Construction
	SHSMRE - SHSM Robotics & Engineering
	SHSMMF - SHSM Manufacturing
	SHSMRT - SHSM Transportation

# Indicating Interest: Dual Credit

Dual credits give Grade 11 and 12 students the opportunity to take courses at Fleming College and have these count towards their Ontario Secondary School Diploma (OSSD).

When doing your course selections in PowerSchool, you can indicate your interest by selecting Dual Credit

- Courses change each year, but there is a wide variety to choose from! (eg: Electrical Fundamentals, Intro to Criminology, Manicure, Residential Mechanical Systems, and more!)

In the spring a guidance counsellor will meet with you individually to provide you with information and register you for the program. Dual Credits are on the announcements when they are available for application.

## IB LEARNER PROFILE

### CARING

We show empathy, compassion and respect. We have a commitment to service, and we act to make a positive difference in the lives of others and in the world around us.

### THINKER

We use critical and creative thinking skills to analyse and take responsible action on complex problems. We exercise initiative in making reasoned, ethical decisions.

### BALANCED

We understand the importance of balancing different aspects of our lives—intellectual, physical, and emotional—to achieve well-being for ourselves and others. We recognize our interdependence with other people and with the world in which we live.

### INQUIRERS

We nurture our curiosity, developing skills for inquiry and research. We know how to learn independently and with others. We learn with enthusiasm and sustain our love of learning throughout life.

### COMMUNICATORS

We express ourselves confidently and creatively in more than one language and in many ways. We collaborate effectively, listening carefully to the perspectives of other individuals and groups.

### REFLECTIVE

We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning and personal development.

### PRINCIPLED

We act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.

### OPEN-MINDED

We critically appreciate our own cultures and personal histories, as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience.

### RISK-TAKER

We approach uncertainty with forethought and determination; we work independently and cooperatively to explore new ideas and innovative strategies. We are resourceful and resilient in the face of challenges and change.

### KNOWLEDGEABLE

We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance.
