September 6, 2019

Dear Parent/Guardian:

As your new principal, I'd like to welcome you and your family to another exciting year at I.E. Weldon Secondary School.

All important events and information is shared on our school calendar, which can be seen on our website <https://iew.tldsbc.on.ca/>. Also found on our website is the school's Twitter feed @IEWeldonSS which gives great insights into events and student life, so please follow us! Communication from the school will take place via phone calls, emails or text messages. Please make sure that we have your current contact information to ensure seamless communication.

The first progress report will be sent home during the third week of October. This report will focus on learning skills.

The permission forms for the Edwin devices were sent home this week. All grade nine and ten students will get a device this year. A copy of the permission letter can be viewed and printed by clicking on the following link: [Edwin Permission Letter](#)

We will be hosting our first Parent Council Meeting on Monday September 16th at 7 pm in the library. All parents are welcome to join our Parent Council. If you are interested in joining but are unable to make the September meeting, future meeting dates will be added to the school calendar once those dates have been established.

If your son or daughter has an Individual Education Plan (IEP), the plan will be updated and sent to you for review by mid-October. If you have any concerns or questions about the revisions to the IEP or would like to meet to discuss the IEP, please contact Angela Jones, our Head of Specialized Services.

Our revised School Improvement Plan will promote high expectations for numeracy, literacy, equity, and well-being.

If your son or daughter is driving a personal vehicle to school, they must park in the shared staff/student parking lot at the east end of the school. We encourage all student drivers to drive respectfully in and around the school to ensure they maintain the privilege to park at our school.

This is a very exciting time of year for all of us. If you have any concerns or suggestions regarding your child's education at I.E. Weldon Secondary School, please let us know.

Sincerely,

Ray Este

Principal
