

GRADE 11 → PLANNING FOR GRADE 12 COURSE SELECTION

Please complete and submit community hours ASAP. Grade 12 is a busy year!

- What is your long term **career goal**? _____
- Important websites to assist you in your planning:
 - www.careercruising.com via Weldon website
 - www.ontariocolleges.ca Information about programs at Ontario **colleges**
 - www.ontariouniversitiesinfo.ca Information about programs at Ontario **universities**
 - www.campustour.ca Virtual tours of Canadian colleges and universities
 - www.ONtransfer.ca Information about bridging from college to university
 - www.skillsontario.com Information on skilled trades/technologies
 - www.ontario.ca/yourfuture & www.apprenticesearch.com Apprenticeships
 - <http://iew.tldsb.on.ca> Weldon site - resources in 'Student Services'

Follow these steps as you fill in the chart below:

1. What specific **courses** will you need in **grade 12** to meet the entry requirements for your program of interest? Check more than one school - the entry requirements aren't always the same. Write the required course(s) on the list below.
What **marks** do you expect to earn? Do they fit with the marks required?
2. Everyone needs **Grade 12 English** to graduate. Is it on your list yet?
3. Are there other **compulsory courses** you still need to meet your Ontario Secondary School Diploma requirements? Add those to the list if they are not already there.
4. Do you still have spaces? Do the colleges/universities mention '**recommended**' courses? Are there courses at Weldon **related** to the area you plan to study or in which you plan to do an apprenticeship? What other courses **interest** you? Is **Co-op** a good option for you?
5. Will you be eligible for a **spare**? Or **two**? (Minimum 23 credits at start of gr 12)

Note: ALL Bachelor degree (university) programs require six 4U/M credits including ENG4U. Other admission requirements vary depending on the program; check entry requirements!

Course Code:	Course Name:
1.
