Mr. Arnold wasn't sure what could go on, but wanted to get a grade 9 rep and a PALS rep. Willing to give it 100% to fight the pandemic. Will do announcements, hard to hear. A few students are going to make a video and send it to the grade 9 teachers to get the nominations. Then send a google form to vote after looking at the applications.

Feels it's going pretty well, there are some social distancing issues when outside. Everyone seems happy to be back. He'll have a better perspective when he's back.
